The gates are of identical size and consist of four chambers. This is the only known city from the First Temple period with two gates and is believed to have been visited by none other than King David.

We next visit a local winery including **wine tasting**, part of Israel's growing culture of excellence in viniculture.

Enjoy a light lunch on your own nearby (options suggested by our guide).

We meet this afternoon with a local **Judaica artist** at her studio to better understand the process and inspiration that act as the foundations of her work.

The afternoon is free to prepare for Shabbat and enjoy the special atmosphere of Jerusalem.

We are in for a treat this evening, as we **share Shabbat dinner** in one of the Inbal Hotel's private rooms, joined by **Young Judaeans** and other **Hadassah friends** — Shabbat Shalom!

Overnight in the Inbal Jerusalem

Day 3, Saturday, November 19, 2022: SHABBAT SHALOM

Following **breakfast**, we join our guide for a spiritually stimulating “**Shul Hopping**” **eclectic experience**. We walk from our hotel and encounter several of the unique synagogues and worship styles in Jerusalem, including stops at the **Great Synagogue, the Italian Synagogue, a Moroccan synagogue**, and finally the Reform/Progressive service at **HUC (Hebrew Union College)**.

Fuel the Shabbat light within you — we'll nourish the spirit and the soul, hearing from a **dynamic speaker** at HUC, followed by **Shabbat luncheon** on the campus.

This afternoon offers us a walking tour of the nearby neighborhoods - **Yemin Moshe**, sight of Montefiore's Windmill, and the nearby **German Colony**, both areas filled with history and stories for us to discover through our guide.

After time to relax and refresh, we gather for **Havdalah**, marking the bittersweet end of our Shabbat together. Afterwards, we enjoy coffee and dessert, gathering at our hotel for a chance to recount all we have experienced together.

We check out of our hotel, and transfer to the airport for our overnight flight back to the United States.

Day 4, Sunday, November 20, 2022: WELCOME HOME!

We arrive back in the United States this morning. Welcome home!
