Together in Israel!

DEAR HADASSAH FRIENDS,

It is our profound honor to invite you to Hadassah's 100th National Convention in Jerusalem.

Yes, the time has finally come to be **TOGETHER IN ISRAEL** **יחד בישראל** to celebrate our commitment to the lifesaving work of Hadassah and experience the joy we will undoubtedly feel the minute the airplane wheels touch down at Ben Gurion Airport! Together, we will feel the wonder of our beloved homeland, Israel, and all the miracles that have happened there.

Just consider how the founding members must have felt when they attended the first Hadassah National Convention in Rochester, New York, in June 1914. There is no doubt that they shared the sense of PRIDE and PURPOSE that embodies the work of Hadassah — the very same emotions we will all feel as we visit our projects and meet the people whose lives we've touched.

The Convention Brochure and Registration Kit contains information about the overall program, individual tracks, and pre- and post-convention extensions that are available for you to customize your time in Israel.

One thing is guaranteed: Whether you come for a few days or a few weeks, you will leave enlightened and inspired to continue your support for Hadassah and Israel.

Let's put new meaning to the words "Next Year in Jerusalem" **לשנה הבאה בירושלים!**

Let's celebrate, **TOGETHER IN ISRAEL**, at Hadassah's 100th National Convention.

With pride, passion and purpose,

Rhoda Smolow

All convention participants will have a firsthand experience at Hadassah Ein Kerem, the heart, the *lev* of HMO. This 700-bed tertiary-care center of modern medicine houses over 28 buildings with more than 130 departments and clinics and serves as a national referral center for complex and challenging medical cases. In recent years, Hadassah has focused its fundraising efforts on renovating and expanding the iconic Round Building as part of the 360 Degrees of Healing: The Full Circle Campaign. During this visit participants will see the progress of this major expansion, which will add an additional 200 beds and upgrade the operating rooms. Visitors will also learn more about Hadassah's scientific and clinical medical research leading to innovative advances in patient care, a stunning example of collaboration with the Hadassah-Hebrew University School of Medicine and the Henrietta Szold Hadassah-Hebrew University School of Nursing.

1 HADASSAH HOSPITAL MOUNT SCOPUS

If Hadassah Ein Kerem is the heart of HMO, then Hadassah Mount Scopus is the soul, the *neshama*. Located at the top of the hills of Mount Scopus, the hospital serves as a top-tier community hospital while providing specialty services for the population of Jerusalem. In recent years, several departments at Hadassah Mount Scopus have been re-imagined, thanks to the generosity of Hadassah donors. Visitors will tour the new Rady Mother and Child Center featuring a beautiful combination of design and technology in a family-centered environment, the new Pediatric Emergency Room, the new Cardiac Catheterization Center and the newest addition to the campus, the state-of-the-art 132-bed Rehabilitation Center, the only facility of its kind in the greater Jerusalem area.

2 HISTORY OF HADASSAH IN JERUSALEM

Hadassah's history is closely interwoven with the history of the State of Israel and the city of Jerusalem. This visit will begin with a panoramic view from the Old City to Rehov HaNevi'im, also known as the Street of the Prophets, via the Jerusalem Municipality's rooftop overlook, where we will meet with a City Hall representative. At street level, explore the history of Jerusalem's "breaking free" of the Old City walls with a walk along Nevi'im Street itself. Learn about the construction of the first Jewish hospital and its connection to Hadassah, hear about Henrietta Szold's original office and discover the general history of Nevi'im Street as we walk to the site of the first hospital. Finally, at the solemn Convoy Monument, learn about the opening of Hadassah Ein Kerem after the closure of the Mount Scopus Hospital and marvel at the beauty of the Judean hillside, site of Hadassah Mount Scopus.

3 MEIR SHFEYAH YOUTH ALIYAH VILLAGE (WEDNESDAY DOUBLE TRACK)

At Meir Shfeyah, participants will join the students and see the farm, winery and music classes. The group will then travel to Zichron Yaakov to stroll through the streets and browse the shops of this charming European-style village. Following lunch on your own, participants will visit the Nili Spy Museum, honoring the Jewish espionage network that assisted the United Kingdom against the Ottoman Empire in World War I. Later, visitors will travel south to Tel Aviv and explore the amazing Agam Museum to view the kinetic artworks of the legendary Yaacov Agam, whose work has been described as a "visual symphony" of images based on Jewish-Kabbalistic iconography. “Shabbat Shalom Experience in Jerusalem” Post-Convention

November 17-20, 2022

Experience Shabbat in Yerushalayim. Mark the dates for an experience you will always remember as we weave a thread of Shabbat throughout the City of Gold.

Day 1, Thursday, November 17, 2022: TASTES OF JERUSALEM, TASTES OF SHABBAT

Following the end of convention, we will meet in the late afternoon in the lobby of our hotel to enjoy an evening designed to delight our senses. Our **culinary expedition** will find us:

- **Baking challah** the Israeli way in a pre-Shabbat workshop.
- Visiting **Machane Yehuda** outdoor marketplace where we'll experience flavors to savor, including **khachapuri, hummus, halvah**, and the market pre-Shabbat classic — **rugelach at marzipan!**
- Touring by bus the **ultra-religious neighborhoods**, Shabbat preparations already underway.

Free evening for dinner on your own.

Overnight in Jerusalem at your convention hotel

Day 2, Friday, November 18, 2022: A BIBLICAL MORNING, A MODERN-DAY AFTERNOON

After **breakfast**, we travel to **Khirbet Qeiyafa**, the site of an ancient fortress city, for a tour of the city that has the most impressive First Temple-period fortifications, including stone walls and two gates, one in the west and the other in the south. The gates are of identical size and consist of four chambers. This is the only known city from the First Temple period with two gates and is believed to have been visited by none other than King David.

We next visit a local winery including **wine tasting**, part of Israel's growing culture of excellence in viniculture.

Enjoy a light lunch on your own nearby (options suggested by our guide).

We meet this afternoon with a local **Judaica artist** at her studio to better understand the process and inspiration that act as the foundations of her work.

The afternoon is free to prepare for Shabbat and enjoy the special atmosphere of Jerusalem.

We are in for a treat this evening, as we **share Shabbat dinner** in one of the Inbal Hotel's private rooms, joined by **Young Judaeans** and other **Hadassah friends** — Shabbat Shalom!

Overnight in the Inbal Jerusalem

Day 3, Saturday, November 19, 2022: SHABBAT SHALOM

Following **breakfast**, we join our guide for a spiritually stimulating “**Shul Hopping**” **eclectic experience**. We walk from our hotel and encounter several of the unique synagogues and worship styles in Jerusalem, including stops at the **Great Synagogue, the Italian Synagogue, a Moroccan synagogue**, and finally the Reform/Progressive service at **HUC (Hebrew Union College)**.

Fuel the Shabbat light within you — we'll nourish the spirit and the soul, hearing from a **dynamic speaker** at HUC, followed by **Shabbat luncheon** on the campus.

This afternoon offers us a walking tour of the nearby neighborhoods - **Yemin Moshe**, sight of Montefiore's Windmill, and the nearby **German Colony**, both areas filled with history and stories for us to discover through our guide.

After time to relax and refresh, we gather for **Havdalah**, marking the bittersweet end of our Shabbat together. Afterwards, we enjoy coffee and dessert, gathering at our hotel for a chance to recount all we have experienced together.

We check out of our hotel, and transfer to the airport for our overnight flight back to the United States.

Day 4, Sunday, November 20, 2022: WELCOME HOME!

We arrive back in the United States this morning. Welcome home!

Hadassah reserves the right to cancel the Convention at any time due to low enrollment, health risks, security, or any other reason whatsoever within its sole discretion.

I irrevocably grant to Hadassah the right to stream, post, photograph, film and/or otherwise record, by any and all methods now or hereafter known, my image, voice and/or likeness in connection with the Convention and to license, distribute, exploit, disseminate, display and/or otherwise use my name, voice and/or any stream, post, photograph, image, audio and/or visual recording or likeness in which I may appear or any utterance or statements I may make during the course of my participation in the Convention or any Convention-related activities, including any photographs, images, audio and/or visual recordings I may provide to Hadassah, or any portion thereof, in any media throughout the world, including but not limited to, all digital media such as websites, emails, virtual meeting platforms, and social media, any number of times, in any and all manners, and by any and all means now or hereafter known, for any advertising, trade, fundraising, promotional or for any other purpose, without approval or any compensation unless required by law. I certify that I own or have the proper rights to license, distribute, exploit, disseminate, display and/or otherwise use any photographs, images, audio and/or visual recordings that I may provide to Hadassah for the purposes described in the preceding sentence. I agree that any stream, post, photograph, image, audio and/or visual recording, likeness, utterance or statement as described herein shall be owned by Hadassah and shall be Hadassah's sole and exclusive property, and Hadassah shall have the right to edit any such stream, post, photograph, image, audio and/or visual recording in Hadassah's sole discretion. I hereby release Hadassah from any and all liability in connection with the use of my name and/or any such stream, post, photograph, image, audio and/or visual recording, likeness, utterance or statement described in this paragraph. I agree to execute, upon request by Hadassah, any and all additional documents necessary to effectuate the intent of the above-mentioned rights.

The term "Claims" as used in this Release shall mean any and all claims and liability of any kind whatsoever, past, present and future, both known and unknown, including those which have not yet arisen or matured, whether in law or in equity, arising from, related to, or in connection with the Convention, my participation in the Convention and any Convention-related activities, travel to, from, during, before and after the Convention (including personal travel, airline travel, travel on public transportation, and travel reserved through a ride-share application), my free time during the Convention, any medical advice, treatment or testing, medical transportation, evacuation, medications, immunizations or vaccinations I may or may not receive, any insurance policies I may or may not obtain, any actions taken in connection with security requirements, including searches of my person or property, my departure, withdrawal, or removal from the Convention, any communications or notices or lack thereof before, during or after the Convention, any anti-discrimination laws (including without limitation those protecting persons with disabilities), laws and regulations of any jurisdiction, diplomatic relations, any delay, property damage, loss or theft, any hostile act, government act or omission, terrorism, social unrest, protests, demonstrations or rallies, local laws, climatic conditions, breach of contract, occurrence, accident, business interruption, machinery breakdown, visa, passport, vaccination or other entry requirement, substitution or change of hotels, transportation or other services, rates, bookings, reservations or connections, food or drink, insect or other bite, mortar or rocket fire, fire, natural disaster, epidemic, pandemic, including, without limitation, COVID-19, labor dispute, baggage and property handling, changes to or absence from or cancellation of the Convention program, whether or not foreseen, any other conditions, developments or disruptions, any bodily, emotional or mental injury, harm, illness, sickness, disease, or death, third party claims and all other claims, causes of actions, suits, penalties, judgments, liability, damage, cost, loss or expense (including attorneys' fees and expenses) of any nature whatsoever, including but not limited to, claims for negligence or any intentional act on the part of Hadassah or any other person or entity.

In consideration of my acceptance to participate in the Convention, and by signing below, I, for myself, my next of kin, family members, heirs, representatives, agents, successors and assigns, hereby agree to: (i) Release, waive and discharge Hadassah from any and all Claims; (ii) Covenant not to sue Hadassah with respect to any and all Claims; and (iii) Indemnify, defend and hold harmless Hadassah from any and all Claims arising from, related to, or in connection with:

(A) My acts and omissions and any involvement by me in the Convention and before, during and after the Convention; and

(B) Any and all Claims made at any time, past, present or future, by me, or any of my family members or any person to whom I am related by blood, adoption or marriage, or their heirs, representatives, agents, successors or assigns.

I agree that this Release and any and all issues related to this Release and/or the Convention are to be solely and exclusively governed by and enforceable in accordance with the laws of the State of New York without giving regard to its conflict or choice of law provisions. I agree that the State or Federal courts located in the City of New York shall have exclusive jurisdiction to determine disputes arising from, related to, or in connection with, or in any way involving the Convention or this Release, including the applicability of this clause or the validity of this Release, and I consent to the exercise by such courts of personal jurisdiction over me and waive and agree not to assert any objection or defense based on lack of personal or subject matter jurisdiction or venue. I agree to waive my rights, if any, to institute or prosecute suit in any forum other than any State or Federal court located within the City of New York. I agree to pay all reasonable attorneys' fees and all other costs and expenses which may be incurred by Hadassah in the enforcement of or attempt to enforce this Release, whether by action of law or otherwise. This Release is intended to be as broad and inclusive as permitted by the laws of the State of New York in favor of Hadassah, and if any term or provision of this Release is declared invalid by a court of competent jurisdiction, the remaining terms and provisions of this Release shall remain unimpaired and in full force and effect. In the event that any provision of this Release is determined to be so broad as to be unenforceable, such provision shall be interpreted to be only so broad as is enforceable. Failure by Hadassah at any time to enforce any obligation by me, to claim a breach of any term of this Release or to exercise any power agreed to hereunder will not be construed as a waiver of any right, power or obligation under this Release, will not affect any subsequent breach, and will not prejudice Hadassah as regards to any subsequent action.

I acknowledge that I have read and understand this Release and that it shall be binding on me on behalf of myself, my family members, next of kin, heirs and representatives. This Release, together with the registration forms for the Convention, contains the entire agreement between the parties to this Release. If there is any inconsistency between the registration forms for the Convention and this Release, this Release shall control. This Release, together with the registration forms for the Convention, supersede any prior or contemporaneous agreements, understandings and negotiations regarding its subject matter.
