### Karen Elfenbein

Karen acquired the travel bug at a young age and has been exploring new places, meeting new people, and learning about different cultures ever since. In 2016, Karen joined Best-Day Adventures as an assistant to Tour Leader Bill Cartiff. Together they have led scores of Jewish travelers from the beautiful Caribbean Seas to the rain forests of Costa Rica and from the richness of Israel to the charms of the European cities. Karen's excitement of experiencing what the world has to offer is exemplified by her outstanding customer service skills, tour leadership abilities and her ardent desire to create enriching travel experience for others. She is driven to lead other across the globe by this favorite quote: "Twenty years from now you will be more disappointed by the things that you didn't do than by the ones you did do. So throw off the bowlines. Sail away from the safe harbor. Catch the trade winds in your sails. Explore. Dream. Discover."
