Karen Efenbein

Karen acquired the travel bug at a young age and has been exploring new places, meeting new people, and learning about different cultures ever since. In 2016, Karen joined Best-Day Adventures as an assistant to Tour Leader Bill Cartiff and together they have led scores of Jewish travelers from the beautiful Caribbean Seas to the rain forests of Costa Rica, and from the richness of Israel, to the charms of the European cities. Karen's excitement of experiencing what the world has to offer is exemplified by her outstanding customer service skills, tour leadership abilities and her ardent desire to create enriching travel experience for others. She is driven to lead other across the globe by this favorite quote: "Twenty years from now you will be more disappointed by the things that you didn't do than by the ones you did do. So throw off the bowlines. Sail away from the safe harbor. Catch the trade winds in your sails. Explore, Dream, Discover."

Elizabeth Berman

Elizabeth's lifelong passion for travel was ignited during her youth on the family adventures across the globe. This early exposure to diverse cultures sparked her interest in languages, people and exploring the world through not only her experiences but through the eyes of others. As a foreign language teacher, she fostered connections with others which led her through roles in public relations and special event planning. Now with Ayelet Tours, Elizabeth's mission is to ensure that every traveler experiences the carefree dream vacation that they always wished for. Her caring and attentive personality coupled with contagious enthusiasm and positive energy creates an incomparable warm & welcoming environment on all of her tours. When not traveling Elizabeth cherishes moments at home with her husband Arnold and beloved dog, Gabriel, and can often found by the shore with a good book and chocolate in hand.
