June 20 - 23, 2024

During this crucial time, Hadassah invites nurses and healthcare professionals to travel to Israel, to show support for the victims of terror, the families of the hostages and those displaced, and to meet with healthcare leaders, first responders, and social service agencies. For those who choose to support Israel by being there in person, this solidarity mission offers you the opportunity to not only bear witness to the devastation of October 7, but to the resilience of the Israeli people.
