Ayelet's Traveling University Presents: The Jewish Heritage of **UZBEKISTAN**

Purim in Shushan

*featuring special musical performances throughout by
Prof. Yale Strom and Elizabeth Schwartz*

March 19-29, 2024

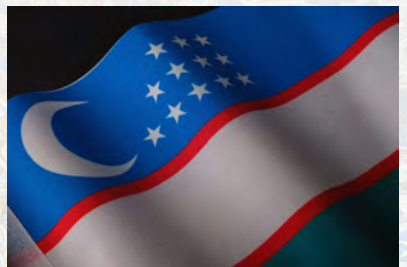

with optional Desert Extension March 29-31

According to tradition, the Bakhara Jewish community was founded at the start of the Babylonian exile, following the destruction of the First Temple. Other origin stories allude to Jews fleeing Persian persecution more than 1,500 years ago. For more than a millennia, Jewish artisans and merchants in the region have ridden out periods of prosperity and persecution marked by invasions from Alexander the Great, Genghis Khan, the Persians, the Turks, and the even the Chinese. Join Yale Strom (of Hot P'stromi) and noted vocalist Elizabeth Schwartz ("The Edith Piaf of Yiddish") as together we discover the sights, sounds and stories of Jewish heritage in Uzbekistan - from Tashkent to Bukhara to Samarkand and beyond!

ON OUR JOURNEY WE WILL:

- Discover the colorful country of Uzbekistan from **Tashkent** to **Bukhara** to **Samarkand** and beyond
- Enrich our knowledge of **Jewish history**, stroll through the streets of old Jewish neighborhoods and engage with the **Bukhara Jewish community** to celebrate **Shabbat** and **Purim**
- Enjoy **presentations and musical performances** by Yale Strom and Elizabeth Schwartz
