Jodi M. Schechtman  
*Director of Organizational Partnerships Emerita*

**ACC-GTM 2020 Convention Update**

The ACC/GTM will hold its virtual convention Monday June 29-Wednesday July 1, 9 am-3 pm PST (12 pm-6 pm EST), with additional opportunities to gather in later hours on Monday and Tuesday. We are working to bring you professional development sessions, music sharing, T'filah, and the opportunity to gather and share the challenges of this moment. We are excited to share the full detailed schedule with you soon!

Convention attendance will require registration but no fee. Look out for registration in your email in upcoming weeks.

Many of you had already registered for and paid for the convention in San Diego. We are still working with Ayelet Tours and the hotel as we navigate this unforeseen situation. We assure you that we will be offering options for both refunding money and the ACC holding money to apply toward future conventions. We will share this information with you as soon as we are able to and appreciate your patience.

We look forward to gathering for three days of community, learning, inspiration and comfort!
