PORTUGAL: Feb. 26 - March 6, 2023
SPAIN: March 4 - 11, 2023
 (choose either or both destinations)

Portugal: Delve into centuries of medieval tales and cities that co-exist with a modern flair, plus fascinating monuments, superbly friendly people and a gastronomic culture enhanced by traditional Fado melodies. Centuries of stories hidden behind secret passages, walls and symbols are just waiting to be discovered. We'll also touch on an almost unknown Jewish history where you'll be amazed by the historic significance.

Spain: The southern region is a land of passion and mystery, where Moorish kings ruled and diverse communities flourished. Artists like Hemingway and Merimée came here to find inspiration and fall in love and travelers continue to do the same. We travel through the undulating olive groves of **Sevilla** and the whitewashed town of **Cordoba**, all the way to **Granada's** Alhambra Palace. We explore a culture where flamenco, tapas, tradition and passion all play a vital role in the cultural fabric we know today.
