*Please note that today's tour will involve walking levels that are easy-moderate with some cobblestone and mild inclines.*

- Breakfast and check out of our hotel.

This legacy allowed **Isaac Cardoso's Jewish Cultural Center** to be built and we will have the opportunity to visit this modern testament to our ancestry.
- This afternoon, we enjoy **lunch** together followed by a visit **The Castle of Belmonte**, a Gothic-style medieval 15<sup>th</sup> century emblematic monument. Later, we discover how the **Crypto-Jewish** (the secret adherence to Judaism while publicly professing to be of another faith) community lived up until the mid-20th century.
- Next, we visit **Bet Eliahu Synagogue**, one of only three active Jewish communities in the area. The synagogue opened in 1996, 500 years after the edict expelling the Jews from Portugal. Belmonte most likely had a synagogue in the 13th century and though there are no traces of it, its existence is proven by a stone in the Jewish Museum.
